Nashville, Tenn.

Dear Sir:

I am writing to inform you that the Eagles played both games of a doubleheader Sunday, June 21st at Ruppert Stadium with the New York Black Yankees under protest. The protest was based on the fact that the Yankees, in addition to their line up with 20 men listed, also used a player, James Starks, who was not listed.

Kindly take official steps to adjust this matter, as we would like to play the games over.

Very truly yours,
